

NATIONAL ASSOCIATION OF HEALTH DATA ORGANIZATIONS

Improving Health Care Data Collection and Use Since 1986

Conversion Tool for the ICD-9 CM to ICD-10 CM Transition

Printed Name: _____

Organization: _____

Program Affiliation/Department: _____

Address: _____

Email: _____ Phone: _____

In the spirit of open source and shared services, NAHDO is happy to provide this tool, developed by the University of California (UCD) with funding from the Center for Surveillance, Epidemiology and Laboratory Services (CELS) within the Office of Public Health Scientific Services (OPHSS) at the Centers for Disease Control and Prevention (CDC).

We are pleased to make this program free of charge to all users interested in monitoring data coding quality related to ICD-10 conversion.

By signing this agreement, I agree not to redistribute this program without prior approval from NAHDO/UCD. Additionally, I agree to share with NAHDO/UCD any enhancements or updates made to this material to ensure accuracy and version control.
